MISSION: TO ADVANCE THE RESEARCH IN DERMATOLOGY, PLASTIC SURGERY, AND AGING SCIENCE

The **IMCAS FUND** is committed to spearheading groundbreaking advancements in science, driving sustainable innovation, and leading transformative research in our fields through:

- **Fostering innovative concepts to advance scientific progress in the respective fields**
- **Leading new and pragmatic research projects**
- **Advocating for the improvement of aesthetic medicine and public wellbeing, serving the greater good**

OUR VALUES

EQUALITY

TRANSPARENCY

SOCIETY ENGAGEMENT

ETHICAL TESTING PRACTICES
NO ANIMAL TESTING

The **IMCAS FUND** is founded on a set of strict values which we assiduously uphold. These values are essential to the goal of our organization as well as our modus operandi.

IMCAS FUND

A MESSAGE FROM OUR SCIENTIFIC DIRECTOR

"IMCAS brings together a broad community of researchers and practitioners in dermatology, plastic surgery, and aging science from around the globe. By partnering with these prominent networks, IMCAS FUND is poised to explore and support innovative and independent projects within these fields. The aim is to discover and amplify pioneering initiatives that drive progress in our specialities."

Dr. Peter Velthuis,
PhD Dermatologist, Netherlands

SELECTION COMMITTEE

Dr. Benjamin Ascher
*Plastic surgeon
France*

Prof. Haiyan Cui
*Plastic surgeon
China*

Prof. Lilit Garibyan
*Dermatologist
USA*

Dr. Marina Landau
*Dermatologist
Israel*

Dr. Gilbert Zakine
*Plastic surgeon
France*

Duties : Promote imcas fund, select projects, supervise execution, publish output

EXECUTIVE SECRETARY

Dominique du Crest
Industry representative, France

BOARD OF DIRECTORS

Dr. Hugues Cartier
Dermatologist, France

Severine Dubarry Bardon
CEO, Comexposium Healthcare

Dr. Sébastien Garson
Plastic surgeon, France

HOW TO GET INVOLVED AS A GRANT RECIPIENT

Benefit from the knowledge and experience of mentoring practitioners and researchers involved in the growing IMCAS FUND community. IMCAS FUND's goal is to make innovation accessible, from anywhere in the world. Join our growing community by submitting your project suggestion, following the steps below.

SUBMIT YOUR PROJECT	1
PROJECT PITCH & DISCUSSION	2
PROJECTS SELECTED	3
FUNDINGS	4
PROJECT IMPLEMENTATION	5
FOLLOW-UP AND PUBLICATIONS	6

ELIGIBILITY REQUIREMENTS

- Non-commercial project
- Scientifically sound research plan
- 6-36 month project duration
- Large target audience for benefit
- Focus in dermatology, plastic surgery or aging science
- Must respect values of IMCAS FUND
- Anticipated funding range € 50k – € 100

HOW TO GET INVOLVED AS A PARTNER

Support our growing community within the medical research field by becoming a benefactor. By submitting your endowment, you directly help pivotal projects around the world central in progressing medical advancements in dermatology, plastic surgery, and aging science.

**HELPING INFLUENCE THE FUTURE OF DERMATOLOGY AND
PLASTIC SURGERY AND SUBSEQUENT PUBLIC WELLBEING**

BE AT THE FOREFRONT OF THE INNOVATION DYNAMICS

GAIN VISIBILITY WITHIN BOTH THE MEDICAL COMMUNITY AND IMCAS FUND

DISCLOSURE OF PEER REVIEW PUBLICATIONS

INDIVIDUAL

ONE TIME DONATION

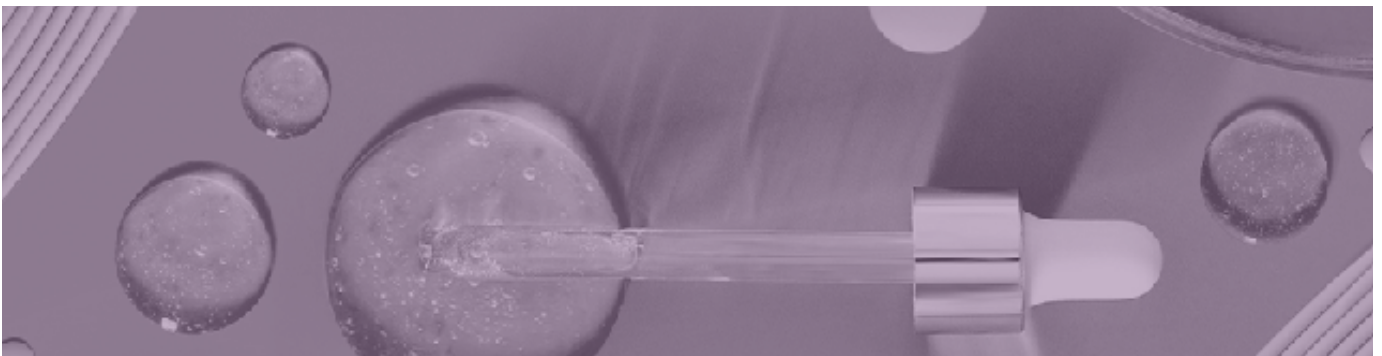

By donating just once, you help fund projects that are putting medical innovation first, leading to breakthroughs for the entire world.

RECURRING DONOR

Recurring donations is an easy and meaningful way to support the progress in our fields of focus, all on your timeline and budget.

ENTERPRISE

Whether funding a Foundation program which supports their core business or an issue that the company and its employees find meaningful, we work closely with our partners to explore opportunities to advance our mutual, life-changing work.

PROJECT ROADMAP

IMCAS FUND will open application submission in 2024. Examples of potential research projects IMCAS FUND is looking to collaborate with are:

NEW AND INNOVATIVE METHODS OF TOPICAL DELIVERY OF DRUGS OR ANTI-AGING AGENTS

IN VITRO EVALUATION OF EXOSOME-BASED COSMETICS ON INFLAMMATION,

HYPERPIGMENTATION, AND SKIN AGING

OBSERVATIONAL STUDY OF FILLERS TISSUE INTEGRATION (HA, PLLA & CAHA)

STEM CELLS, REGENERATIVE MEDICINE

IMCAS FUND is an endowment fund under French law (fond de dotation) which receives and manages donations and endowments intended to fund selected projects. IMCAS FUND is created by Comexposium Healthcare.
